September 2010

TVW Swimming

Earley Squadron was represented by Cadets Kemp, Watt and McBrien. Cadet Watt took part in the Junior Girl's Breast Stroke and Freestyle and was very close to picking up a medal. Cadet McBrien came 2nd in the Junior Boy's Freestyle and congratulations to Cadet Kemp, who walked away with Gold and Bronze medals. He has been asked to represent the Wing in the Regional swimming championships on behalf of Earley Sqn.

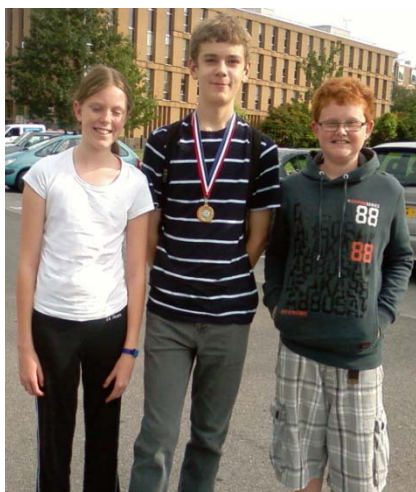

Summer Camps

Over the last 2 months Earley cadets have attended many RAF stations as part of the annual TVW Summer camps. Cadets Hunter and McBrien stayed for a week in July at RAF Odiham, where they had a flight in a Chinook, went shooting and had a surprise visit from the Red Arrows.

Cadets Davies, Lambert, Kemp and Tsang visited RAF Henlow, where they took part in an RAF Regiment Training Day and had an off-road driving experience.

Later in August Cpl Gosset and Cadets Davies and Mignot went on the Brunswick Activities Camp at Pirbright, where they did watersports and went on an Army Assault Course.

Pizza and Movie Night

Cadets were treated to a Pizza and Movie night by Flt Sgt Miller and Ma'am on 15th July. We enjoyed watching the comedy movie 'Airplane' and eating pizza for the night and would like to try this again later in the year.

Wing Website Photo Shoot

On the 22nd July, Cpl Mitchell and Cdt McBrien went to a Wing Website Photo Shoot where they, along with cadets from Woodley and Wokingham Sqns, had photos taken for the new wing website. They spent the evening doing first aid, navigation, aircraft recognition and leadership exercises in front of the camera.
