Earley Fireworks

On the 6th November, our cadets went to Laurel Park to marshal the Woodley and Earley Lions annual fireworks night, where they stopped anybody from entering the area without a ticket and patrolled the perimeter for private fireworks.

The money raised was split between several worthy charities including Earley Sqn.

Thanks to Sgt Mitchell, Cpl Mignot and Cpl Weeks and Cdts McBrien and Kemp for turning up early on Sunday morning to pick up litter and used fireworks from the area.

Children in Need Night

This year, Cpl Mignot and Cdts Curtis and Kemp organised our annual Children in Need night. The evening included a rank auction with members of staff and cadet NCOs surrendering their ranks to the highest bidder for the evening. Flt Lt Alexander and FS Miller were reduced to the rank of cadet for the evening and enjoyed joining the rest of the cadets for final parade at the end of the night.

Mignot, Kemp and Curtis each did their own quiz, with special prizes for the winners, as well as a giant game of twister and a charity auction of items donated by the cadets and staff. Cdt McBrien coloured his eyebrows in the name of charity, collecting sponsorship money from cadets and staff. Thanks to everybody involved, who made it a great night for everyone and raised **£134.61** for Children in Need!

Remembrance Sunday

On the 14th November, 1996 Sqn paraded at Earley St. Peter's Church for Remembrance Sunday. The squadron Padre, Reverend John Spears gave a service commemorating those who died in battle in The Great War, and those who continue to suffer in conflict today. A collection was made from the congregation and Sgt Mitchell led the banner party during the service.

Afterwards, they proceeded outside and Cdt McBrien laid a wreath on the war memorial.
