February 2011

Christmas Dinner

This year, the annual Sqn Christmas Dinner was held at the Earley Crescent Centre on the 11th December.

The cadets, staff and guests arrived earlier that night for pre-dinner drinks, before taking their seats for a 3 course traditional Christmas Dinner.

Afterwards, an awards ceremony was held, where the cadets were commended for their achievements in and when representing the squadron.

All the cadets had a great time and are looking forward to it again, later in the year.

Maiden Earley Careers Fair

On the 1st February, Earley Sqn were represented by Flt Lt Alexander, CI Gray, Sgt Mitchell, Cpl Mignot, Cdts McBrien, Wheatley and Stamp, at the Maiden Earley School Careers Fair.

Our cadets spent the night telling the students about the squadron and the opportunities available in the Corps, managed to convince many to join us for an induction session and generally spread the word of our presence.

New Flights

Earlier this month, the NCO team re-organised the Flights and Cadet Points system.

The Flight names will remain as 'Tornado Flight' and 'Typhoon Flight'. However, if you are unsure of which flight you are in, please see Sgt Mitchell.

Squadron Bowling

On the 16th December, Earley cadets went to Hollywood Bowl in Bracknell for the Squadron Bowling night, organised by Sgt Mitchell.

2 games were played and the scores were totalled to have a fun competition.

Everyone enjoyed the evening, and the inter-flight rivalry that came with it.
